PMI MALAYSIA CHAPTER

1. 100 days as President for PMI Malaysia Chapter
Dr. Joshua Netto, DBA, PMP® PMI-RMP® PRINCE2®

Dear esteemed members of PMI Malaysia Chapter,

I am thrilled to reflect on the incredible journey we have embarked on in the past 100 days since I assumed the role of President. Our chapter has witnessed remarkable progress, and I am delighted to share the highlights of our achievements.

Firstly, on February 17, we organized a memorable CNY Networking Dinner, celebrating unity and prosperity with our members. It was a joyous occasion that showcased the power of coming together as a community.

Since then, we have been working diligently to strengthen our chapter's foundation. The AGM Speech on March 11 allowed us to set a clear vision and outline our objectives for the year ahead.

We focused on creating an environment of inclusivity and collaboration, setting the stage for the success that was to come.

The Board Team Building & Partnership Workshop on April 15 was a pivotal moment for our chapter. We recognized the importance of forming strategic partnerships to accelerate our growth. Through this workshop, we honed our teamwork skills and fostered stronger alliances, setting the stage for future accomplishments.

As the spirit of Hari Raya embraced us, I shared a heartfelt message on April 21, emphasizing the power of unity with the hashtag #strongertogether. We celebrated our diversity and highlighted how our differences make us stronger and more resilient as a community.

Building on this sense of togetherness, the Hari Raya Networking Dinner on May 5 further solidified our bonds. It was an evening filled with laughter, camaraderie, and fruitful conversations, creating lasting connections among our members.

In line with our commitment to environmental sustainability, we joined hands with ZTE on June 6 for a tree-planting initiative. This act of giving back to nature underlined our dedication to a greener future and demonstrated our chapter's social responsibility.

The MAPMA Asset & Project Management Conference (APMC 2023) held on June 8 and 9 was a resounding success. Our chapter showcased its expertise and thought leadership, attracting renowned speakers and facilitating enlightening discussions that propelled the project management profession forward.

On June 13, we celebrated TM Project Management Day, acknowledging the crucial role project management plays in organizational success. Through engaging sessions and workshops, we equipped our members with invaluable skills and knowledge, empowering them to excel in their respective roles.

Our journey of building partnerships continued with the University of Nottingham Networking Dinner on June 16. This event served as a platform for connecting with aspiring project management professionals, fostering knowledge exchange, and inspiring the next generation of leaders.

As we look back on these past 100 days, it is evident that partnerships have been a key growth area for our chapter. Through collaboration and shared goals, we have achieved remarkable success, paving the way for a brighter future.

I extend my heartfelt gratitude to each and every member for your unwavering support, dedication, and enthusiasm. Together, let us continue to embrace partnerships, foster unity, and create a lasting impact in the field of project management.

With warm regards,

Dr. Joshua Netto, DBA, PMP® PMI-RMP® PRINCE2®
President, PMI Malaysia Chapter
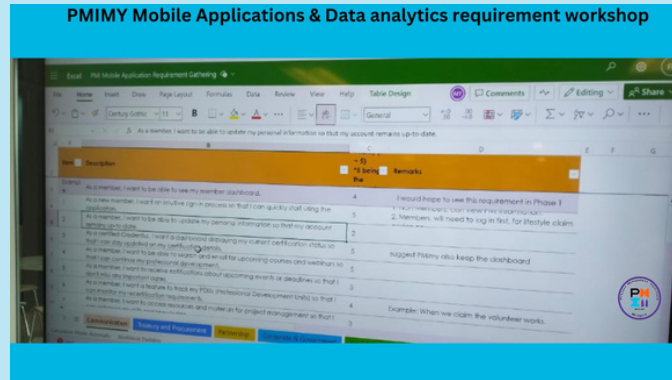

2 WELCOMING NEW MEMBERS, MONTH JULY 2023

3 JULY-2023 EVENTS
3.1 PMIMY MOBILE APPLICATIONS & DATA ANALYTICS REQUIREMENT WORKSHOP, 8-JULY-2023

PMIMY Mobile Applications & Data analytics requirement workshop

PMIMY Mobile Applications & Data analytics requirement workshop

On July 8, 2023, the Asia Pacific University of Technology & Innovation (APU) became a hive of innovative discussions led by Saravanan Ramasamy and Jason Lau. This event centered on the future requirements of PMI Malaysia's mobile applications and the need for an optimized data analytics approach. In attendance were representatives and volunteers, who participated with high enthusiasm and dedication. Their valuable insights and contributions formed the core of the discussion, with the shared goal of enhancing PMI MY's digital services. The workshop showcased PMI MY's proactive strides towards a transformative digital future, benefiting its diverse membership.

3 JULY-2023 EVENTS

3.2 PMIMY WEBINAR: AGILE TRANSFORMATION IN THE AGE OF ARTIFICIAL INTELLIGENCE & REMOTE WORKING: UNLEASHING THE POWER OF ADAPTABILITY, 13-JULY-2023

On July 13, 2023, PMI Malaysia hosted an insightful webinar titled "Agile Transformation in the Age of Artificial Intelligence & Remote Working." Led by keynote speakers Tao Chun Liu and Mirza Ahsan Baig, the focus was on AI's transformative impact on global industries. Liu stressed the importance of an agile mindset for organizations to adapt and excel in the era of rapid technological evolution. The session attracted 66 participants from Malaysia, Taiwan, and England, promoting a global dialogue on agility in the AI era. This event highlights PMI Malaysia's commitment to facilitating knowledge exchange on emerging tech trends.

3.3 PMIMY F2F MORNING TALK: PROJECT MANAGEMENT - TRADITIONAL VS AGILE, 22-JULY-2023

Asia Pacific University was abuzz on July 22, 2023, hosting an enlightening talk led by Tarminder Singh. Organized by PMI Malaysia Chapter, the gathering was a whirlwind of knowledge sharing, from Agile and traditional project management methods to hybrid project management. Guest speaker, David B DuBay, endorsed the value of certification for career advancement. The event offered a rich platform for networking and shared experiences, leaving attendees invigorated, eager to elevate their project management prowess. Amid the current climate of digital acceleration and pandemic-led uncertainties, the session embodied a beacon of guidance, empowering project managers to adapt and thrive.
